

Warm Homes

Practical and effective measures that needn't cost the earth

At the ACE Foundation, Bury Road, Stapleford

Saturday 9 February, 1pm to 4.30pm

Free Entry, including tea and cake!

 Save Energy! Some parking is available in the ACE courtyard, but if possible please walk or cycle to this event

To be opened by Parish and District Councillor Ben Shelton

- Practical demonstrations and videos on DIY measures to cut heating bills
- The Green Deal - what's that all about?
- No-cost energy saving ideas
- Tours of the ACE buildings - how are they saving energy?

In addition, you will be able to:

- Talk to manufacturers and energy specialists at a range of stands
- Analyse your home's heat loss on a computer
- Borrow a home energy monitor
- Sign up for a survey with a thermal imaging camera to identify areas of heat loss in your home
- Give us your ideas for future events and activities

See you there!

Organised by Stapleford
Environmental Group with the
kind support of SCDG, ACE and
